Proposed new Walnut Lane Youth Learning Center

FIRST TEE - GREATER PHILADELPHIA teaches over 45,000 local youth essential life skills while providing equal access to the lifelong game of golf. We impact the lives of all young people by providing educational programs that build character, instill life - enhancing values, and promote healthy choices through the game of golf.

After successfully renovating John F. Byrne Golf Club in 2021, First Tee is embarking on our newest Outdoor Classroom at Walnut Lane Golf Club. Walnut Lane Golf Club will be Philadelphia's most Innovative Outdoor Classroom, becoming the heart of First Tee's educational and character development programs serving the children of Philadelphia, especially youth from underserved communities in high poverty zip codes.

Join Us As We Drive For The Future

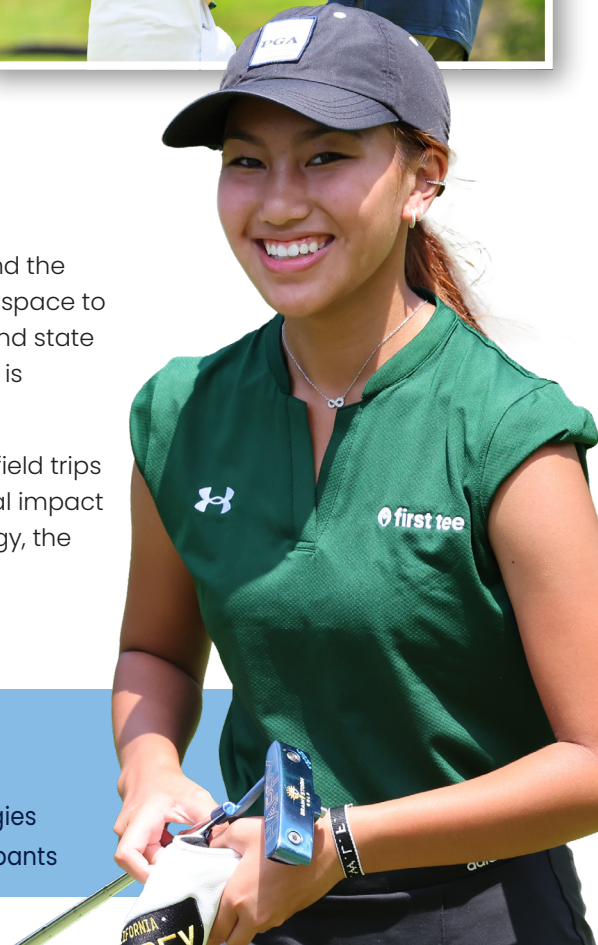

We are asking your help to raise **\$2.5 million** to transform Walnut Lane Golf Club and the lives of our young people. Your gift will provide young people with a safe and clean space to learn, while enjoying healthy meals, engaging innovative educational curriculum, and state of the art technology. Bridging the gap between the classroom and the golf course is how we Build Game Changers, creating tomorrow's leaders.

The new Youth Learning Center will allow First Tee to host more school students on field trips and have more kids attend weekly classes, exponentially increasing our educational impact along with launching our first ever after-school support program. Utilizing technology, the classroom and simulator will make learning both fun and engaging.

Talk to us about naming right opportunities.

Capital Investments will include;

- Total building renovation • First Tee staff offices
- Launch of digital classroom inside the facility and related state of the art technologies
- Two golf simulators • Cafe with in house dining • Outdoor patio for program participants

First Tee is a huge asset for the children of Philadelphia - introducing them to golf in a fun, supportive, and inclusive environment. First Tee has welcomed thousands of Philadelphia children into the game of golf and the life lessons that come with it, into the natural environment throughout their city."

- Mike Barsotti, Director of Youth Sports Philadelphia Parks & Recreation

"Our new building will not only impact our students, but also the community in an unprecedented way."

- Kyle Spaulding, Director of Golf, First Tee Alum
